PROJECTS & ACHIEVEMENTS

Online Registration System - Bahrain Bayan School *(January 2017 - March 2017)*

- Created a systematic online registration system to replace the old manual registration process, using HTML, CSS, PHP and SQL for a local university's training office. In addition to the creation of the product, the project required extensive documentation.
- Was awarded the maximum and highest number of points (7) for this project.

Robotics and Programming Club - Bahrain Bayan School *(May 2015 - May 2017)*

- Participated in World Robotics Olympiad local competitions in 2015, 2016, and 2017 and received the award for best robot design in 2016.

Other Extracurricular Activities - Bahrain Bayan School *(September 2015 - May 2017)*

- Business Club:** Won second place in the inJaz my company competition as the CEO of a fictional company.
- Model United Nations debate conferences:** Participated in the debate conferences as a delegate, chair, and organizer, and received various awards (ex. Best Delegate).
- Writing club:** Ran a writing club for 5th grade students at the School.
- Student council:** Was the Vice President and President in High School Student Council.
